Announcing Virtual Visits!

To ensure our patients and staff remain healthy, GO Sports Therapy is now offering Virtual Visits as an alternative to an in-clinic visit.

Virtual Visits can be used for Evaluations, Re-assessments, Follow-up visits, Home Exercise Prescription, Home Office/Environment Assessments, or Clarifications and Progressions of your current program.

We are here to help when you can't get out!

Request your virtual visit here:

[Stephanie Irizarry, PT](#)

[Gail Kaiser, PT](#)

[Grace Choi, PT](#)

In order to participate in virtual appointments, you will need a cell phone, tablet, or internet enabled computer that allows video and audio capabilities.

If you prefer, we are also scheduling in-clinic appointments for priority patients.

Request an in-clinic appointment on our website at www.gosportstherapy.com or call 972.745.9060.

Take care,
Your GO Sports Therapy Team
